

Come along and join in the fun!

At Families Together Suffolk groups you and your child will discover imaginative ways to play using everyday toys and items. The activities are designed so that they can also be done at home to encourage children's development and help them achieve their full potential.

Groups For Families Around Suffolk

About our groups

Our groups are free to attend for children ages 0 - 5 years and their parents/carers (mums, dads, grandparents, childminders).

Groups offer a relaxed, friendly and supportive meeting place for families to make new friends within their local community and there will always be someone around to talk to and offer support when needed.

What happens at groups?

Each session has a different theme so the activities on offer change weekly.

You could find yourselves on a minibeast hunt, creating rockets to learn about space, using water play for sea themes or making suncatchers when learning about the weather.

As well as activities, sessions also include songs, rhymes and story time as well as a small snack break where refreshments are provided.

Where can you find our groups?

Bury St Edmunds, Debenham, Haverhill, Honington and Stowmarket,

For more information about our family groups or our other groups; SEND, PMH & Dads groups, please get in touch with us via the contact details on the back of this leaflet.
